

# Spring Tips for Homeowners

## **Spring Cleaning! 10 Things to Have Your Home Ready for Spring Season:**

- ➔ **Don't try to do it all at once. Make a list and break it down into manageable cleaning sessions.**
- ➔ **Air Conditioning - Test to make sure it is working and schedule any needs for service EARLY in the season.**
- ➔ **Inspect Your Roof - Check for any damages or age related problems.**
- ➔ **Check your gutters to make sure they are clean and no leaks.**
- ➔ **Make repairs to blacktop or concrete.**
- ➔ **Trim your tree branches.**
- ➔ **Make sure your lawnmower is in good working order.**
- ➔ **Does your lawn need fertilizing/reseeding?**
- ➔ **Start planting your flower and/or vegetable gardens!**
- ➔ **Schedule a date for your preferred charitable organization to make a pick up - having a date will help keep you motivated to finish the Spring cleaning and donating!**

***Sit Back: Enjoy your work and the beautiful weather!***
